# Unlocking the art of Skin Longevity Science

Robert Youssef, PhD

# Science-based formula

## BENEFITS

### RexoFace

- Reduce inflammation
- Reduce the appearance of fine line, wrinkles, and scars.
- Improves skin elasticity to be firmer and more youthful.
- Reduce pigmentation and promote a more radiant skin.
- Increases skin hydration, glow, and vitality.
- Repairs skin damage & texture.
- Reinforce skin barriers functions.

**20 BILLIONS OF LYOPHILIZED PARTICLES**

#### DILUENT:

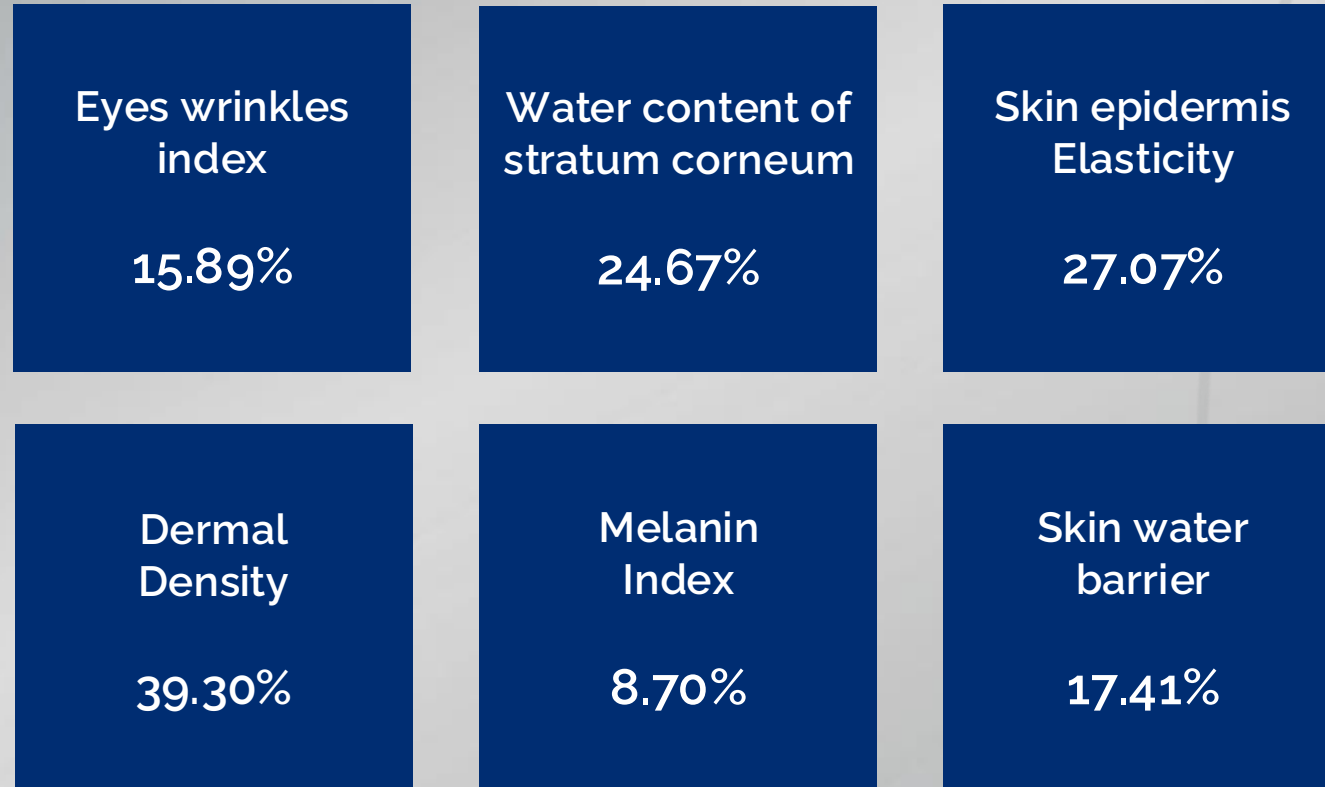

- |                   |                     |                                   |
|-------------------|---------------------|-----------------------------------|
| • 2 types of HA   | • Niacinamide       | • Ectoin                          |
| • 5 skin peptides | • $\alpha$ -Arbutin | • Polydeoxyribonucleotides (PDRN) |
| • 13 amino acids  | • Tranexamic acid   | • Lactococcus Ferment Lysate      |
| • Glutathione     | • Vitamin C         |                                   |

ExoBiotic™ Technology in  
Hair Growth

# Science-based formula

## BENEFITS

### RexoHair

- Promotes a healthy hair growth Cycle.
- Reduces hair loss.
- Promotes hair strengthening and growth.
- Increases hair thickness and density.
- Hydrates and nourishes the scalp.

**20 BILLIONS OF LYOPHILIZED PARTICLES**

#### DILUENT:

- 4 hair peptides
- 13 amino acids
- Azelaic acid
- Vitamins & Minerals
- Keratin
- Panthenol
- Biotin
